

## **Professional Wedding Emergency Checklist**

- **Wet wipes and tissues**  
For quick cleanup of stains, sweat, or tears.
- **Basic sewing kit**
  - Threads (white, ivory)
  - Sewing needles
  - Small scissors
  - Safety pins and regular pins
  - Fastening clips
- **Makeup touch-up essentials**
  - Compact or mattifying powder
  - Lipstick or lip gloss
  - Makeup setting spray or powder
- **Band-Aids and blister pads**  
Preferably water-resistant and with extra protection for feet.
- **Oral pain relievers**  
Ibuprofen or acetaminophen to ease muscle pain, headaches, or inflammation.
- **Anti-inflammatory foot spray**  
Examples: Fisiocrem Spray, Fastum Gel Spray, or similar options to reduce swelling and pain before putting on shoes.
- **Mini deodorant and perfume**  
To stay fresh throughout the celebration.
- **Backup bouquet or loose flowers**  
In case the main bouquet gets lost, damaged, or delayed.
- **Spare symbolic rings**  
For emergencies involving the wedding rings.
- **Basic hair and dress accessories**
  - Dress garters or straps
  - Hairpins and clips
  - Double-sided fashion tape for invisible adjustments
  - Ribbons for securing or adjusting dress details
- **USB drive with music and emergency chargers**  
  
To avoid technical issues related to music or sound.
